Dear Mare Owner,

For breeding your mare to Aurigan de Gwaihir, could you please complete a copy of the breeding contract, and obtain a photostat of your mare's breed papers, and then forward these to us with the service fee of \$880 well in advance of your desired breeding date. If you prefer to electronically transfer the \$880 this can be done into: NAB, Gwaihir Stud and Agistment, BSB 082 494, A/C 48960 0019; please put your name as a reference.

**Frozen semen** deliveries can be arranged right now, and should be ordered no less than 10 days before your intended date of insemination. As well as notification, we require all documentation and funds at least 10 days in advance of your desired breeding date too.

If you have any queries please do not hesitate in contacting myself Genevieve Ross (Stud Manager) on 0402 286043.

Kind Regards,

Genevieve Ross
