

# GWAIHIR HORSE STUD

Dear Mare Owner,

Please choose the relevant contract for breeding your mare to Gwaihir Aubusson. Then please complete a copy of the breeding contract, and obtain a photostat of your mare's breed papers, and then forward these to us with your booking/ handling fee of \$550 (full payment of \$1,250 is required if chilled/frozen semen is being ordered), well in advance of your desired breeding date. If you prefer to electronically transfer the funds this can be done into: NAB, Gwaihir Stud and Agistment, BSB 082 494, A/C 48960 0019; please put your name as a reference.

Please note that Aubusson will be **at stud** this season from September 2010 until February 2011 for live covers, and September through December 2010 for chilled semen.

If you require **frozen semen** this can be arranged right now, and should be ordered no less than 10 days before your intended date of insemination. As well as notification, we require all documentation and funds at least 10 days in advance of your desired breeding date too.

If you require **fresh/chilled semen** this season, we require all documentation and funds at least 10 days in advance of your desired breeding date. Chilled semen needs a lot of organisation so as to fit in with your mare's cycle, your vet's availability, courier services and flights as well as the coordination involved at our end collecting the semen. Thus advanced notice is ideal.

If you have any queries please do not hesitate in contacting myself Genevieve Wild (Stud Manager) on 0402 286043. We look forward to speaking with you regarding your choice of location and method for breeding.

# GWAIHIR HORSE STUD

Kind Regards,

Genevieve Wild  
Stud Manager
